Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

Objectives and Activities

St Edward's PCC has the responsibility of co-operating with the priest in charge, the Revd Jenny Barnes, in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the church and grounds of St Edward's, Racecommon Road, Kingstone, Barnsley.

Achievements and Performance

Church attendance

There is a new Church Electoral Role this year, in accordance with the Church Representation Rules. There are 74 parishioners on the Church Electoral Roll, 32 of whom are not resident within the parish. This compares to 65 names on the previous role. The average weekly attendance was 54, but this number increased at festivals. Three Christmas carol services were held for local schools.

Review of the year

The full PCC met eight times during the year with an average level of attendance of 90%. A great deal of time and thought was spent during the year on encouraging people back to church. This culminated in our very successful 'Back to Church Sunday' and Gift Day weekend.

The PCC has also focused its attention on how the proceeds from the sale of the parish hall should be used. With the retirement of Professor Murta, we have recently appointed Helen Price as our church architect. Once the new PCC is in place we will be setting up a working group to look at various options to use these funds. We will be consulting widely and there will be an opportunity for you to air your views. The state of the decoration has been causing concern for some time and this will also be factored into future plans for the church.

A new photocopier was purchased to replace the old one which was 10 years old and continually giving problems.

The Social Committee is to be congratulated on their fund-raising efforts. This year our fund raising has increased considerably and it has allowed us to reduce the shortfall in income, maintain our Parish Share contribution and make donations to local and national charities. It is hoped that we will be able to raise our giving to 10% of this income. It is good that these efforts on behalf of others can be combined with opportunities for fellowship.

The planned giving through envelopes and banker's order has decreased by nearly 13%, mainly due to decreasing numbers attending services. It is hoped that the re-introduction of banker's orders will help improve the situation together with an effort to attract more families back to church.

A new Church website came into operation in August at stedwards-barnsley.org.uk

Financial Review

Total receipts on ordinary unrestricted funds were £41279 and are detailed in the Financial Statements. The interest on the proceeds of the sale of the parish hall, provided a gross income of £5824. This will need to be replaced if we spend this money.

£45559 was spent to provide the Christian ministry from St Edward's Church, including the contribution to the diocesan parish share, which largely provides the stipends and housing for the clergy. The percentage of our contribution increased by 12%, but this was largely due to the reduction in the amount required by the diocese as a result of us not having an incumbent. The sum that the churches in the diocese have to find is shared between the churches according to a formula that is based mainly on a head count of the congregations. A trend of our Parish share contribution is shown in Figure 1 and a trend of Payments & Receipts is shown in Figure 2.

The net result for the year was a deficit of receipts over payments of £4279. After adding bank and deposit balances brought forward at the beginning of the year, the balances carried forward at 31st December 2006 in our Cash, Current and Deposit accounts totalled £10383.

Reserves policy

It is PCC policy to maintain a balance on unrestricted funds (if possible), which equates to approximately six months unrestricted payments, to cover emergency situations that may arise from time to time. The balance of £10383 on these funds falls short of this target, especially if the full parish share is taken into account.

It is our policy to invest our main funds balances with the CBF Church of England Deposit Fund and Share Fund, We also have a smaller investment with National Savings Stock.

The PCC have designated funds of £45,000 for the upkeep of the fabric of the church, including replacement of the boiler.

Approved by the PCC on 15th March 2007 and signed on their behalf by Revd Jenny Barnes (PCC chairman)
